East Bay Paratransit will continue to provide ADA mandated paratransit in FY 08/09 on behalf of AC Transit and BART.

In addition, BART will oversee and manage two Measure B Gap Funded projects:

1. Rider Care Specialist. This East Bay Paratransit staff person works with social service agencies, hospitals, residential facilities, other paratransit providers, and individuals in order to solve problems and facilitate the use of East Bay Paratransit. This grant expires June 31, 2009.

2. Learn BART! A Picture Guide to Riding BART is a booklet primarily using accurate and entertaining drawings to illustrate the story of a person learning to take a BART trip—and successfully accomplishing it. Learn BART! will illustrate BART's most potentially confusing tasks such as choosing a parking space, buying a ticket, entering the fare gate, finding the correct platform, and getting on the correct train, etc. In a booklet of about 20 pages, each with several drawings, the author/illustrator will be able to focus on the specific tasks and equipment which are critical in learning to use BART correctly and confidently, right from the start. By minimizing text, Learn BART! will be accessible to many people who might not read a normal brochure—people with low vision or cognitive impairments, visual learners, and limited English readers to name a few. Gap Grant award is \$43,000 and expires June 31, 2010.
